

**Hey. I'm  
struggling  
with porn.**

**Can we  
talk?**

**This is difficult for me to open up about, so I would really appreciate your love and support as I speak with you about this. When we talk, it would really help me if you**

---

**I understand that you may have some feelings about this, but I hope you know how awesome it is that you're willing to talk about this with me. I'm trying hard to kick this so I hope you can be patient with me and support me as I keep fighting.**

**Can we talk more?**
