

Fight The New Drug Student Event Safety Policy

For the safety of the Presenter, Organization, Sponsor, and attendees, the Event Safety Policy (the "Policy") pertains to all events in which attendees are under eighteen (18) years of age.

The Sponsor must designate an adult representative over eighteen (18) years of age (the "Representative") to remain with the Presenter during the event(s), except during the formal address.

The Representative will join the Presenter at the conclusion of the formal address, remaining with them while attendees engage with the Presenter.

Should an attendee disclose information considered to be sensitive, concerning, or otherwise inappropriate, the Representative will direct the attendee to an appropriate party pre-determined by the Sponsor including, but not limited to; school counselors, student resources officers, law enforcement, licensed medical professionals, or other authorized professionals.

The Sponsor agrees to maintain the Policy terms, and ensure the Representative fully understands and accepts the Policy terms.
