As porn becomes increasingly normalized in the digital age, education on its well-documented harms becomes increasingly important.

Fight the New Drug's

**age-appropriate and**

**engaging live**

**presentation** program

highlights research from

respected academic

institutions that

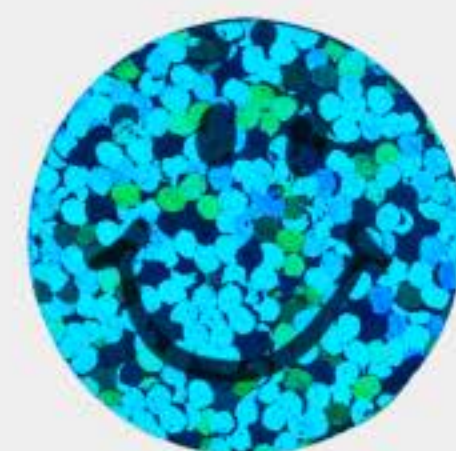

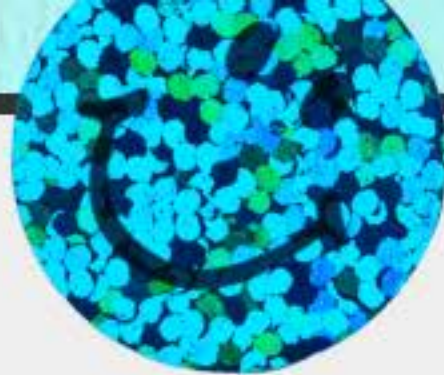

demonstrate the

significant impacts of

porn consumption on

individuals, relationships,

and society.

**Bringing Fight the  
New Drug to your  
school, company, or  
community event has  
never been easier!**

## STEP #1

Request more info at [ftnd.org/live](https://ftnd.org/live), and we'll send you a packet with more information.

## **STEP #2**

We'll connect with you to answer any questions you have and discuss pricing for your event.

## **STEP #3**

Once your details are finalized, you'll sign a contract and pay a deposit to secure your dates.

## **STEP #4**

We'll book travel and take care of everything else and send one of our best presenters to your live event on your event date!
