Help me I'm scared for my life

Hello everybody. So I'm from California. And I got tricked into thinking this girl wanted to mess around. I'm terrified cause I gave her money for her services, she has my phone number. She said she was gonna tell

SENDING NUDES HAS BECOME INCREASINGLY COMMON, ESPECIALLY AMONG YOUNGER GENERATIONS.

THE NORMALIZATION OF PORN HAS MADE THE ACT OF SENDING EXPLICIT IMAGES FEEL ROUTINE. BUT THIS "NORM" IS PUTTING MORE PEOPLE AT RISK.

SEXTORTION HAPPENS WHEN SOMEONE SENDS AN INTIMATE PHOTO, AND THE RECIPIENT USES IT TO MANIPULATE OR THREATEN THEM. VICTIMS OFTEN FEEL TRAPPED, NOT KNOWING WHERE TO TURN.

IT'S A CYCLE THAT STARTS WITH THE CASUAL ACCEPTANCE OF PORN AND ENDS IN BLACKMAIL AND FEAR. THE MORE PORN IS NORMALIZED, THE MORE THIS ISSUE GROWS.

**WHEN WE NORMALIZE
PORN, WE ALSO NORMALIZE
BEHAVIORS THAT LEAD TO
EXPLOITATION. WE NEED TO
BE MORE AWARE, STAY
EDUCATED, AND PROTECT
OURSELVES AND OTHERS
FROM THESE DANGERS.**
