Fight the New Drug is a non-religious and non-legislative organization that exists to provide individuals the opportunity to make an informed decision regarding pornography by raising awareness on its harmful effects using only science, facts, and personal accounts.

**Form 990, Part III, Line 4a - First Accomplishment**

Education- Fight the New Drug's Education Program focuses on developing creative educational experiences to give individuals opportunities to make an informed decision regarding pornography. We illustrate the harmful effects of pornography and its links to other forms of sexual exploitation, through research and personal accounts to fulfill our mission and catalyze a youth-driven movement. We create and utilize educational online resources including a youthful three-part documentary series, awareness-raising shareable content, resources, and publications, and our Live Presentation Program. In 2021, although restrictions were largely still in place for in-person events due to the COVID19 pandemic, we were able to reach over 16,000 individuals through our live events. Additionally, in 2021 we completed our brand new presentation including various scripts, slide decks, marketing materials, booking assets, interactive media elements, and new presenter training materials to deliver the most up-to-date research on the harmful effects of pornography to audiences starting in 2022. Our documentary series also continued to spread awareness on the harms of pornography. With the release of a new 60-minute version of the series and short, topic-specific cuts, in 2021 viewers gained access to new compelling
