Fight the New Drug is a non-religious and non-legislative organization that exists to provide individuals the opportunity to make an informed decision regarding pornography by raising awareness on its harmful effects using only science, facts, and personal accounts.

Form 990, Part III, Line 4a - First Accomplishment

Education - Through creative and engaging educational experiences, this program provides opportunities for individuals to make an informed decision regarding pornography. FTND illustrates the harmful effects of pornography and its links to all forms of sexual exploitation through a Live Presentation Program, a youthful documentary series, awareness-raising articles and videos, an interactive research database, and other compelling resources. In 2022, FTND released a brand new presentation program that includes the most current research on porn's harms coupled with fresh, engaging visuals to captivate all audiences. With the release of this new presentation, FTND's Live Presentation Program reached over 21,000 people in 2022 through youth, adult, keynote, and community presentations. To better help schools, organizations, and communities access these educational presentations, we created the Live Education Scholarship Fund, which subsidizes or fully covers costs for applicants, including schools and organizations, in need of financial support. FTND also created a brand new Fast Facts resource library which includes over 100 easily digestible facts with the most up-to-date research on porn's impact on individuals, relationships, and society. We also updated all Spanish online resources to

make these resources more accessible. Additionally, FTND's educational three-part documentary called "Brain, Heart, World" received over 33,900 new private viewings and spread awareness at 61 new public screening events this year alone. FTND continually optimizes resources in the Education Program to ensure they are easily accessible and remain powerful tools for individuals, families, educators, and community leaders.

Form 990, Part III, Line 4b - Second Accomplishment

Mobilization - The Mobilization Program transforms followers and passive observers, empowering them to create social change around the issues of pornography and sexual exploitation. FTND mobilizes this movement through social media advocacy, the "Consider Before Consuming" podcast, an extensive website article and video library, conversation-starting apparel, and other engaging resources. With a continually growing presence, by the end of 2022, FTND had nearly 6 million Facebook followers, 317,000+ Instagram followers, 56,500+ Twitter followers, 17 million+ TikTok views, and 156,000+ YouTube subscribers. Additionally, FTND's podcast gained over 1.5 million listens. FTND has had over 72 million website sessions from individuals across the globe seeking information on pornography's harms and resources like FTND's interactive conversation guide designed to help foster healthy discussions about porn. Additionally, we issued the Porn Impacts Awareness report, which includes data from a 2022 national survey gauging the public's understanding of porn's harms. Respondents were asked research-based questions about porn consumption risks, and only 10% of the general public received a passing score of 70% or higher while respondents who had previously engaged with Fight the New Drug's content and resources scored remarkably higher than those who had not—with an average score of
